INVESTING IN YOUR FUTURE

#leader

proj.nr.: 1.2.2.2./16/I/001

DEMOLA Latvia is a program that gives a problem case to the student team that exists in major Latvian company. During a 4-month period of time (September – December) team **learns and creates together**, visits the company's premises and collects overall information about the company and data regarding the problem. During DEMOLA YOU will have **10 lectures on Wednesdays evening that will be about, team-works, client need, problem validation, opportunity to learn and develop presentation abilities and prototyping workshop at RTU Design factory.**

If company chooses to buy the solution, **100% of reward goes to the team.**

Participation in the program is for **FREE**, because it's supported by Latvian Investment and Development Agency (Proj.No..1.2.2.2./16/I/001) and it's covering administrative costs of the project.

#### GOOD news:

- YOU can be from **any** Latvian education institution and study level ;
- YOU can get up to **3'000 EUR** for the solution, 100%;
- YOU can get **study credit points (ECTS)**;
- YOU can **choose** the problem case when applying;
- YOU can **change your choice anytime** during the application period;
- YOU can let DEMOLA decide which case **you suit the best** based on my application information;
- YOU can get to know all the companies one by one as the application period goes on and change your choice;
- YOU can enjoy the process of **learning by doing**.

**And the most exciting part:** application is already **OPEN** for the first companies:

- **Latvian Railway;**
- **Tieto;**
- **Insurance company Balta;**
- **Metropole Riga Hotel industry;**
- **Johnson&Johnson**
- **Hansab;**
- **Forever;**
- **Amigo;**
- **Telema;**
- **Check them out here: <https://latvia.demola.net/apply>**

**Not so GOOD news:**

- usually applicants are more than we can approve;
- those selected during the first round will get a call from us;
- YOU may be offered a position for a different case than what you selected as 1st priority;
- During the program, YOU will be away from my family and friends for approximately 15 hours a week ;

**Just news:**

- Program is in **English;**
- Each team has at least one international student;
- Each team has a **facilitator** that will guide you through the process;
- Teams are formed from different fields of studies, in order to create **Interdisciplinarity.**

**Don't put it off for later and apply here: <http://bit.ly/DEMOLAFall2018>**
